

## Art skills progression

### Working Artistically

UKS2

**Develop Techniques**

Children should develop their techniques including their control and their use of material, with creativity, experimentation and an increasing awareness of different kinds of art, craft and design

**Record observations**

Children should create sketch books to record their observation and use them to review and revisit ideas.

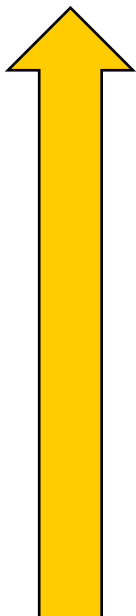

**Improve Mastery**

Children should improve their mastery of art techniques, including drawing, painting and sculpture with a range of materials e.g. pencil, charcoal, paint, clay.

**Know about art forms and artists**

Children should have knowledge of a wide variety of great artists, architects and designers in history and be able to evaluate and analyse creative works using the language of art, craft and design.

Improve Mastery**

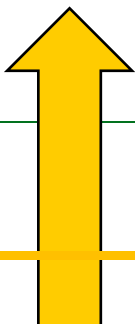

Children should improve their mastery of art techniques, including drawing, painting and sculpture with a range of materials e.g. pencil, charcoal, paint, clay.

**Know about art forms and artists**

Children should have knowledge of a variety of great artists, architects and designers in history and be able to evaluate and analyse creative works using the language of art, craft and design.

**Work Creatively**

Children should be able to use a range of materials creatively to design and create end products.

KS1

Improve  
Mastery

Children should be able to use drawing, painting and sculpture to develop and share their ideas, experiences and imagination.

Develop Skills

Children should demonstrate the development of a wide range of art and design techniques in using colour, pattern, texture, line shape, form and space.

Know about  
art forms and  
artists.

Children will know about the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines, and making links to their own work.
