

Computing skills progression

		Strand			
UKS2		Digital Literacy	I can design, film and edit a vlog using digital devices.		
			I can combine a variety of software to create an animation using a green screen.		
		Computer Science	I can begin to write my own programs that accomplish specific goals.		
			I can use sequence, selection, and repetition in programs		
			I can work with variables and various inputs and outputs.		
		Information Technology	I can select, use and combine a variety of skills in Word.		
			I can select, use and combine a variety of skills to draw graphs in Excel.		
		Online Safety	I understand the importance of passwords.		
			I can explain what Cyberbullying is.		
			I can explain the meaning of copyright.		
		LKS2		Digital Literacy	I can plan, organise and film an information video.
					I can write, record and edit a podcast.
Computer Science	I understand what block coding is (algorithms).				
	I can follow simple instructions to code objects.				
	I can begin to write my own programs that accomplish specific goals.				
Information Technology	I can use a keyboard effectively.				
	I can save and retrieve digital folders.				
	I can select, use and combine a variety of skills to create an animated PowerPoint.				
Online Safety	I can use technology safely and responsibility.				
	I know how to report concerns online.				
	I can how computer networks provide multiple services and offer opportunities for communication and collaboration.				
KS1				Digital Literacy	I can use technology to purposefully take images.
		I can organise and manipulate information for a purpose.			
		I can use the Paint program to create drawings.			
		Computer Science	I can understand and explain what an algorithm is.		
			I can create simple programs and debug them.		
			I can use reasoning to predict the behaviour of a program.		
		Information Technology	I can safely search for information.		
			I can use the internet to create a basic PowerPoint.		
			I can organise, manipulate and retrieve data in a PowerPoint.		
		Online Safety	I can give examples of technology beyond the ones of school.		
			I can use technology safely and responsibly.		
			I know what information I should/should not share online.		
I know where to go for help if I am worried.
